

Vision, Mission and Values

Our Vision

Our vision is that all families and communities have chances, choices and opportunities to live the best lives they can.

Our Mission

Following are founding ethos, we will respond positively to the changing needs of our communities with projects and services that give better life chances to people of all ages.

We will work in the best ways possible to:

- Support children and families
- Find families for children in care
- Provide opportunities and support for people with disabilities
- Combat social isolation
- Increase community engagement

Our Values

Friendliness – we believe in welcoming everyone with warmth and kindness. We want people to feel included and to create a sense of belonging.

Fairness – we believe in equality and strive to be respectful in everything we do. We listen to the needs of others and put them at the heart of our work.

Integrity. – we believe in being open and honest in all parts of our work. We support people from all walks of life and treat each person with dignity and acceptance. We believe in their value.

Freedom to choose – we believe in empowering people to reach their full potential and to have a happy, fulfilled life. We provide opportunities so all families and communities can make their own choices and lead the lives that they want to.

Collaboration – we believe by bringing communities together and by building relationships we can create a brighter, happier future. Through working with our supporters and other organisations we aim to make our vision a reality.
